

## Stakeholder Consultation Questions Mar-Apr 2023

### ASC Pike-perch Module

Topic	Q#	Question	Question type	Answer type	Audience	Method
Pike-perch Module 2.3.1 FWT	1	Is the pike-perch in production genetically analogous to the ones found in the wild (closest geographical population)?	Information	yes/no	Association of farms (producers), Farm (producer)	Survey, Workshop, 1:1 meeting
Pike-perch Module 2.5.2 FWT	2	Which counting technique do you use (answer options, e.g.: auto counter, manual, average weight, other)?	Information	multiple options	Association of farms (producers), Farm (producer)	Survey, Workshop, 1:1 meeting
Pike-perch Module 2.5.2 FWT	2.1	What degree of accuracy (in %) is achieved with this technique?	Information	open-ended question	Association of farms (producers), Farm (producer)	Survey, Workshop, 1:1 meeting
Pike-perch Module 2.5.2 FWT	2.2	When do you count fish? Options: 1) at stocking, 2) at grading, 3) at harvest	Information	multiple options	Association of farms (producers), Farm (producer)	Survey, Workshop, 1:1 meeting
Pike-perch Module 4.2.6 FWT	3	Which commercial vaccines are used in Pike-perch aquaculture?	Information	open-ended question	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module 4.2.6 FWT	4	What are the main diseases that present a risk in Pike-perch aquaculture?	Information	open-ended question	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module 4.2.6 FWT	4.1	What are common therapeutants applied to treat for the aforementioned disease(s)?	Information	open-ended question	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module 5.3.1 FWT	5	What is the Feed Conversion Ratio (FCR; average for the farm on input-output basis) in your farm?	Information	open-ended question	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module 5.3.1 FWT	6	Could you please provide some information on the diet composition fed to Pike-perch for each life stage (i.e. inclusion in % of the different ingredients and/or diet components)	Information	open-ended question	Feed Trader/Supplier, Feed Mill	1:1 meeting
Pike-perch Module 5.3.1 FWT	7	How much fish meal and fish oil is included, on average, in the grow-out diets?	Information	open-ended question	Feed Trader/Supplier, Feed Mill	1:1 meeting
Pike-perch Module 5.3.1 FWT	7.1	What proportion is derived from whole fish and from by-product?	Information	open-ended question	Feed Trader/Supplier, Feed Mill	1:1 meeting
Pike-perch Module 5.3.1 FWT	8	Are you aware of the EPA and DHA content in pike-perch diet? Please provide the value. EPA: eicosapentaenoic acid; DHA: docosahexaenoic acid	Information	open-ended question	Feed Trader/Supplier, Feed Mill	1:1 meeting
Pike-perch Module	9	Are there environmental or social impacts from pike-perch culture not covered by the module?	Agreement	yes/no	all / non-specific audience	Survey, Workshop, 1:1 meeting

Pike-perch Module	9.1	If not, what do you think is missing?	Information	open-ended question	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module	10	Is there a particular indicator that you disagree with? (Repeatable)	Agreement	yes/no	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module	10.1	If so, which one and why?	Information	open-ended question	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module	11	Is there any relevant data set/scientific article/information that you would like to provide to inform any of the indicators provided in the Module? (Repeatable)	Information	open-ended question	all / non-specific audience	Survey, Workshop, 1:1 meeting
Pike-perch Module	12	Which farm management software do you currently use?	Information	open-ended question	Association of farms (producers), Farm (producer)	Survey, Workshop, 1:1 meeting
Pike-perch Module	12.1	Is it possible to export data from it?	Information	yes/no	Association of farms (producers), Farm (producer)	Survey, Workshop, 1:1 meeting
